

HOW TO USE THE CATALOGUE

The screenshot shows the homepage of the 'Gemeenschappelijke Catalogus van de Bibliotheken van de Federale Overheidsdiensten'. The header includes the Belgian flag and the 'be BELGIË' logo. Below the logo is a navigation bar with three tabs: 'BURGERS' (selected), 'BEDRIJVEN', and 'AMBTENAREN'. The main heading reads 'WELKOM OP DE GEMEENSCHAPPELIJKE CATALOGUS VAN DE BIBLIOTHEKEN VAN DE FEDERALE OVERHEIDSDIENSTEN'. The search area contains a text input field with the placeholder 'Vul hier uw zoektermen in :', a 'Zoeken' button, and two dropdown menus: 'Beperk de zoekresultaten tot : Museum Natuurwetenschappen' and 'Alle documenttypes'. Below the search area, there is a link for 'Geavanceerd zoeken via Webspirs' with a date '(Datum laatste update: 03/08/2006)'. On the left side, there is a sidebar with a 'Help' icon and a list of participating libraries: Binnenlandse Zaken, Buitenlandse Zaken, Defensie, Economie, Filmarchief, Financien, Justitie, Koninklijke Bibliotheek, Kunstpatrimonium, Landbouw, Mobiliteit en Vervoer, Musea Kunst & Geschiedenis, Musea Schone Kunsten, Museum Midden-Afrika, and Museum Natuurwetenschappen.

Simple Search

- ❑ Type your term in the search field
- ❑ Select library
- ❑ Select document type
- ❑ Click "Zoeken"

Advanced Search with Webspirs (recommended)

- ❑ Click "Geavanceerd zoeken via Webspirs" (see screenshot)
- ❑ Use the tab "Geavanceerd" to combine terms and specific fields
- ❑ Enter a term. Try to be specific.
- ❑ Click "Zoek" to start searching in the database
- ❑ Combining searches: You can use special words called operators (and, or, not,) to combine search terms and to refine.
- ❑ To limit your search to the catalogue of the library of RBINS, use the term **RBINS** in the **AVAILABILITY (AV)** field in combination with your search terms (see webspirs1)

- Use truncation symbols and wildcards to find variations of a search term.
- The truncation symbol (*) represents one or more characters at the end of a word. Ex. hyperic* will evoke a search for hypericum, hypericin, etc.
- Search results (see webspirs 2): WinSPIRS reports the number of times your search request occurs in the database and the number of records in which it occurs. Select the wanted records.

- To review your first search results, click on the left top "Toon alle resultaten" and select the records of choice. Clicking on the diskette icon will save your search actions.
- Click "Toon details" to have a new screen with full bibliographic data and info about the holding.
- Click "Document bestellen: vraag aan" to request a document. There will occur a new screen (see webspirs3) with a questionnaire. You will receive an automatically generated e-mail to confirm your request. The library will send you an e-mail to notify that the document is be available. This request option is only for external users. Staff and collaborators of RBINS are requested to submit their request through the library. In not doing so, costs related to this electronic request will be charged to you.
