Universiteit  
Antwerpen

**BIOTRAC s.p.r.l.**

## **Information for the WCM excursions on Wednesday** **18 July 2007**

All excursions will be led by a WCM-representative. However, for questions or additional information, please contact Kurt Jordaens: [kurt.jordaens@ua.ac.be](mailto:kurt.jordaens@ua.ac.be)

All trips start in front of the congress site at Campus Groenenborger of the University of Antwerp. There will be three groups of buses waiting for you – one for the Brugge trip, one for the Bouillon trip and one for the Verdrongen Land van Saeftinghe + biking trip. Because the bus to Bouillon leaves very early, people that have hotel accommodation in the city centre can get directly on the bus in the city centre at the Roosevelt place (see specifications below for the Bouillon/Orval trip).

The three groups of buses will depart at different times; please make sure you are in time for your trip! The WCM-representative for the trip will be waiting for you at the bus and there will be signs guiding you to the correct bus.

Prices for the trips include the bus trip, guides, renting of the bikes (biking trip), entrance to three museum and beer tasting (Brugge), entrance to the castle, monastery and beer tasting (Bouillon) and visit to the visitor centre (Saeftinghe). However, food and additional drinks are NOT INCLUDED! Below you will find specific information for each trip. **PARTICULARLY FOR THE PARTICIPANTS OF THE TRIP TO SAEFTINGHE THIS INFO MAY BE VERY IMPORTANT, AS WELL AS FOR THE PARTICIPANTS OF THE BRUGGE TRIP THAT WANT TO HAVE DINNER IN THE BREWERY!!!**

## Field trip to ‘Het Verdrongen Land Van Saeftinghe’

WCM-representative: Lobke Dillen

Departure: 9:30 am at Campus Groenenborger.

Start excursion: 10:30 am at the visitor centre ‘Saeftinghe’.

Duration of the guided walk: approximately 4 hours.

Afterwards we will have a drink on a nice terrace where for those that like it can have a waffle or pancake.

Estimated time of arrival back at Campus Groenenborger: 18:00 pm

### Important notes:

- This bus will also serve for the attendants of the Biking trip, who will be dropped off in Doel.
- For safety reasons, children under the age of 10 are not allowed.
- Wear suitable clothes: the track is very muddy and you will have to cross several ditches, etc. Hence, you will need clothes that may get dirty and knee-high boots (or shoes that may get wet).

-We strongly encourage you to bring spare clothes! There is a limited space where you can change clothes after the trip.

-July may be very warm and sunny (to our standards...), so do not forget to protect yourself against sunburn (e.g. hat, sunglasses, sun milk).

-Nevertheless, the weather may be unpredictable and showers are possible as well, so bring some protection against the rain!

-For those who are interested in birds, bring your binoculars!

-Lunch will be inside the nature reserve so the organisation will take care of food and drinks. Of course, you can bring some snacks and drinks yourself.

-When returning from the trip to Antwerp, the people of the biking trip will be picked up in Doel. There will be three stops when we arrive in Antwerp. A first stop will be at ‘Berchem Church’ where people that have hotel accommodation in the centre of Antwerp can take the public transport (Tram 15 or busses 32, 190, 192, 195-197 and 297) to the city centre (which will take approximately 10 minutes). A second stop will be at the MHC facility. A final stop will be at the Campus Groenenborger (TPC facility).

## Visit to Bruges (Dutch: Brugge)

WCM-representative: Wim De Belder

Departure at university campus: 9:00 am

Start two-hour guided tour: 10:30 am.

Afterwards you are free to visit Brugge on your own with the museum tickets; you will have to be at the brewery at 17:00 pm.

Start of the tour in the brewery: 17:00 pm.

Estimated time of arrival back at the university: 21:45 pm

### Important notes:

-There will be four guides waiting for you at the bus parking in Brugge.

-Each of the guides will take you on a two-hour guided tour that starts at 10:30 am. At the end of the guided tour (12:30 pm) the guide will take you to one of the three museums that you can visit.

-During the bus trip to Brugge, you will receive a ticket 'MUSEA – BRUGGE – 18 July 2007' with the logo of the WCM congress. The guide will end his/her tour at one of the three museums. You enter the museum where you can exchange your ticket into an entrance ticket for the three museums.

-You will have the time to visit the museum but you will have to be at the Brewery of De Halve Maan (Walplein 26) at 17:00 pm to visit the brewery and for the beer tasting. Make sure to be there in time!

**VERY IMPORTANT:** After visiting the brewery and having a beer taste, you can have a meal in the brewery or somewhere else in Brugge at a place of your own choice but make sure to be at the bus at **20:30 pm!!** The meal at the brewery is a 'Breughelbuffet' – a typical Flemish buffet that includes a variety of foods such as tuna salad, salmon, bacon, Belgian paté, several old Belgian cheeses, cold vegetables, potato salad and brown bread. The price of the buffet is € 15 per person to be paid in the brewery. **People that want to have their meal at the brewery should send an email to [kurt.jordaens@ua.ac.be](mailto:kurt.jordaens@ua.ac.be) before July 5**, otherwise you will have to look for a place yourself or have dinner when you get back in Antwerp (**21:45 pm**).

-Wim De Belder will take you to the busses at 20:30 pm and you will be at the university campus again at approximately 21:45 pm. There will be three stops when we arrive in Antwerp. A first stop will be at 'Berchem Church' where people that have hotel accommodation in the centre of Antwerp can take the public transport (Tram 15 or busses 32, 190, 192, 195-197 and 297) to the city centre (which will take approximately 10 minutes). A second stop will be at the MHC facility. A final stop will be at the Campus Groenenborger (TPC facility).
