CONFERENCE ON THE ENVIRONMENTAL ARCHAEOLOGY OF EUROPEAN CITIES

Royal Belgian Institute of Natural Sciences, Brussels, Belgium
May 27-29, 2015

Third circular

FINAL PROGRAM
The final program can be found in attachment. Due to our long list of papers, we will have a rather tight schedule. Therefore we would ask the contributors to limit their presentation to 15 minutes, in order to allow 5 minutes discussion after each talk.

Due to the vast amount of posters, we are obliged to split the poster session in two. Practically this means that a first session will start on the first day. Posters will have to be removed by the end of the morning break on the second day. The second session will then start at noon on the second day and last until the end of the conference. Poster size: max. A0, 84.1x118.9cm, portrait format

LOCATION
The meeting will take place in the Royal Belgian Institute of Natural Sciences, Brussels. More information on: http://www.naturalsciences.be/

ACCOMODATION
There are many hotels in Brussels in all categories, including youth hostels and B&B. 3 Stars hotels (www.3starshotels.be) provide 10% discount for the CEAEC participants. For this you need to use the code "NATUUR2014", when entering your dates, then select the "CORPO rate". More information can be found on the homepage of the conference: https://www.naturalsciences.be/sites/default/files/Accomodations.pdf
